

## Spring 2023 Career and Internship Fair Attendees

### **Ackerman-Estvold, Minot, ND**

**Website:** <https://www.ackerman-estvold.com/>

**Description:** Ackerman-Estvold is a full service architectural and civil engineering consulting firm serving clients on projects ranging from initial planning to closeout and every step in between. Our exceptional team is composed of highly experienced individuals with a comprehensive knowledge of all aspects of architecture and civil engineering. The company was founded in Minot, ND, in 2003 as a civil engineering firm. In 2020, Ackerman-Estvold merged with longtime Minot based architecture firm Anderson Wade & Whitty, PC adding several architectural team members and 40 years of architectural work throughout North Dakota. A Fargo location was added to the geographical mix at the end of 2020 in order to serve all of North Dakota's residents. Ackerman-Estvold's current staff encompasses over 50 professionals within the Minot, Williston, Fargo, Boise, and Ackerman Surveying offices. Our team includes civil engineering staff members, registered engineers, registered architects, architectural design staff, construction inspectors, GIS specialists, drone pilots, financial specialists, communications specialists, administrative staff members, and professional land surveyors. Ackerman-Estvold is proud to be headquartered in Minot, North Dakota. Contact Us today for more information on how we can put our experienced team to work for you.

**Federal Deposit Insurance Corporation - FDIC, Washington, DC**

**Website:** <https://www.fdic.gov/about/careers/index.html>

**Description:** The Federal Deposit Insurance Corporation (FDIC) is an independent agency created by the U.S. Congress to maintain stability and public confidence in the nation's financial system. In carrying out its mission, the FDIC insures the funds of depositors in banks and savings associations; performs examinations and other supervisory activities to assess on a continuous basis the financial condition of banks and savings associations to ensure that they are operating in a safe and sound manner and complying with consumer protection, fair lending, and other applicable laws and regulations; and acts as receiver to dispose of any insured financial institution that fails. The FDIC offers current college students and recent graduates with majors in economics, finance, accounting, business administration and related fields, positions in the FDIC's three-year examiner training programs to become risk management or consumer compliance examiners. About 150 recent graduates are hired each year in over 80 field office locations nationwide to enter these structured training programs that employ a mix of on-the-job, virtual, and classroom training, culminating in the conferral of a widely respected professional accreditation as a commissioned bank examiner for those who successfully complete the program. For undergraduates, the FDIC offers hands-on, paid summer internships to give them a chance to evaluate first-hand this long-term career opportunity as a bank examiner.

**North Dakota Department of Transportation, Bismarck, ND**

**Website:** <https://www.dot.nd.gov/>

**Description:** Originally called the State Highway Department, the North Dakota Department of Transportation (NDDOT) was established in 1917. The NDDOT is an innovative and progressive organization that has a great team of employees that work hard across the state to carry out the Department's mission to safely move people and goods. The NDDOT strives to build and maintain an efficient transportation system consisting of about 8,518 miles of roadway and 4,858 bridges. It oversees the development of surface transportation including highways, bridges, rail, transit, pedestrian and bicycle paths across the state. Annually, the Department processes over 1,000,000 vehicle registrations and serves over 500,000 licensed drivers at branch offices located across the state. The NDDOT's Central Office is located on the North Dakota State Capitol Grounds in Bismarck and has eight District Offices across the state in Bismarck, Devils Lake, Dickinson, Fargo, Grand Forks, Minot, Valley City and Williston.

**Theodore Roosevelt Medora Foundation, Medora, ND**

**Website:** <http://www.medora.com/employment>

**Description:** The Theodore Roosevelt Medora Foundation (TRMF) is a 501(c)(3) public non-profit organization that was formed in 1986 by our founder Harold Schafer. The TRMF operates lodging, entertainment and recreation attractions, and provides numerous historical education opportunities in the beautiful ND badlands near Theodore Roosevelt National Park. Through the contributions and teamwork of a board of directors, a full time staff of approximately 40, 300+ seasonal employees, 500 + seasonal volunteers, and financial support from generous supporters from across the country, TRMF and Medora are a world class destination for guests and visitors young and old. Housing is available to seasonal employees for \$50 per week for a shared room. Employees have access to the Life Skills Center building which includes a cafeteria, fitness center, social room, and a resource room for students who are taking online summer classes. Other perks include free admittance and discounts to attractions, shops, and restaurants around town. TRMF seasonal employees have the opportunity for an end of season bonus and to apply for our scholarships. We will work with student interns to ensure that their job duties and special projects align with their university's academic requirements.
